

ELISABETH SCHILLING
AND COMPANY

CIRCLE OF FRIENDS

WE ARE DELIGHTED TO INVITE YOU TO JOIN OUR CIRCLE OF FRIENDS

WHY IS IT IMPORTANT
TO SUPPORT US?

Joining our Circle of Friends supports the artistic and social endeavors of a young and upcoming company. Help embed and establish our diverse visions, through the creation of high-quality dance work in Luxembourg and beyond.

Friends are crucial to the activities and their success of our various ambitious visions. By joining our Circle of Friends, you do not only support us realizing our visionary artistic concepts, but also our various mediation and social concepts.

Join our Circle of Friends and meet like-minded people that support the creative activities with engagement and passion. It is our aim to bring together people interested in our projects, to foster relationships to us and each other. Every single one can support us through their personal relationship to our projects.

Elisabeth Schilling and Company, through the non-profit organization Making Dances a.s.b.l, develops transdisciplinary projects between movement, design and music, making the disciplines dance together. The company is directed by choreographer Elisabeth Schilling (Lëtzebuenger Danzpräis 2021), in close collaboration with an international team.

The choreographer has set herself the goal of ensuring that contemporary dance occurs both on performance stages and in less conventional spaces. Our productions travel to European metropolises and to more rural territories, in theaters and concert halls, museums and galleries, historic buildings or even in public spaces. Since its creation in 2016, the company has given more than 230 performances in 19 countries. Elisabeth Schilling is 'Artist in Residence' at the Trifolion Echternach (Dancing The City 2021-2023).

An important part of the work consists of different formats of creative learning and audience engagement. Launched in 2022, "Mat iech / With you" is a tailor-made cultural mediation program, including publications, conferences, practical workshops, introductions to works and post-performance discussions. These actions aim to bring dance to all those who, for various reasons - whether financial, social, geographical or health - can no longer go to the theater. Performances in social institutions, such as care homes, are regularly organised.

Making Dances a.s.b.l is a company approved by the Ministry of Culture of the Grand Duchy of Luxembourg.
